RED BIKE - MARCH 11-13, 2021

March 11-13, 2021

RED BIKE

by **Caridad Svich**, directed by **Holly Holsinger**

(Red Bike will be presented virtually for a limited audience)

FREE

Remember when you were eleven years old and you had a bike, one that made you dream about a world bigger than the one in which you live? This is that memory. Except it is now. **Red Bike** is a shared storytelling event from the perspective of a pre-adolescent who is played by all actors in the cast. The play follows not only thoughts about the dying town in which it takes place but also embodies the emotions of the storyteller(s) as the bike speeds out of control. **Red Bike** is about the divide between those who have and those who long for.

VIRTUAL TICKETING (FREE) is limited on a first-come-first-served basis. Click your night to register!
